A+ BBB Rating

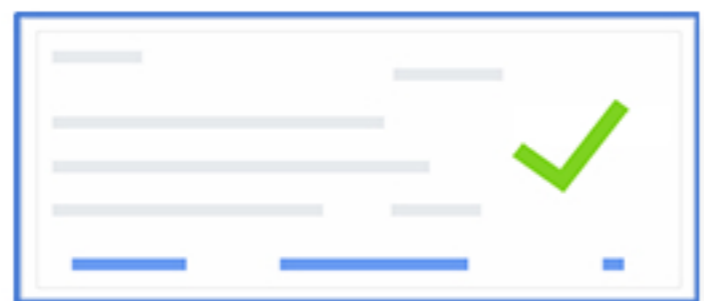

## See why 23,597 businesses use SeamlessChex daily

## End Late Payments &amp; Waiting For Checks In The Mail!

Get paid instantly and stop stressing about late payments and checks going missing in the mail. You can finally focus on your business and not collecting payments!

**Get checks deposited directly into your bank account**  
Fast next day deposits.

## Instantly know if a check will clear or bounce before you deposit

Advanced verification tools validate customer funds and account validity in real-time. Avoid check fraud, NSF fees, and other headaches.

## Tons of powerful features. Ridiculously easy to use.

Bulk upload, recurring billing, and signature capture are just a few of extra goodies that make Seamless Chex the most advanced - yet easiest to use - check software available.

## Never wait for the check in the mail ever again

## SeamlessChex was built with you in mind

## Do you manage an Agency, Firm or Small Business?

SeamlessChex is simple to use, so anyone on your team can get up and running in seconds. Law firms, insurance agencies, and retail businesses are just a handful of the many different sectors who reply on SeamlessChex daily.

## Are you a Freelancer, or Self-Employed?

SeamlessChex makes billing and processing client check payments easy. You don't need a merchant account, credit check, and you'll never pay any transaction fees.

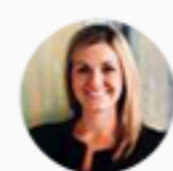

## Successful businesses all over the USA choose SeamlessChex

SeamlessChex helped us solve one of the crucial problems we were having as a business: recurring payment to vendors.
